Campus Crime Statistics Report

Introduction

JEANNE CLERY ACT

The Jeanne Clery Act requires that all colleges to report school safety policies and to report any crime that occurs on campus. This information is available each year in the Annual Security Report (ASR). This report is issued to all incoming students/staff at orientation and is reviewed each October 1st. It requires all schools to send timely warnings to students, staff and clients when there is a known risk to the public safety on the campus. This also includes the Violence Against Women' Act (VAWA). Sexual assault state wide counseling resources may be found at <https://www.iowacasa.org/help>.

Campus safety is a top priority for students, faculty, staff, and administration. Regularly reviewing crime statistics helps inform policy decisions, safety programs, and resource allocation.

Crime reporting is required under the Clery Act, section 485(f) of the Higher Education Act of 1965 (HEA). This information is reviewed annually with information from the school and local law enforcement agencies. The report is then distributed to all students and staff and updated on the school's website.

The person responsible for the Campus Crime Report at College of Hair Design is the school administrator, Debra McFarland.
